

RCMP Commissioner call with CDS – Feb 13, 2022

-Thank you to the CAF for the reachout to RCMP for potential engagement if in fact Government invokes the Emergencies Act

- The RCMP representative, Supt Dave Elms spoke briefly yesterday at 1530 to Col RATTE

-They agreed to meet further to discuss potential situations where the CAF could assist – for instance, the movement of RCMP personnel, equipment, supplies.

-At this time we are taking a measured approach to the situations in Coutts, Alberta and Emmerson, Manitoba and assisting the Windsor PD/OPP at the Ambassador bridge while supporting the OPS/OPP in Ottawa.
